3 THE CHAIRMAN: No. 19, case number ACT/015/025, in
4 the matter of the application of Co-Op Mining Company for re-
5 view and hearing regarding issued mining violations. Ms.
6 Roberts.

7 MS. ROBERTS: Mr. Chairman, Co-Op Mining and the
8 Division have settled that matter. The Division asks the
9 Board that they vacate all three of the violations and enter
10 an order requiring that Co-Op Mining permit the entire length
11 of the road involved in these violations with the upper portion
12 of the road between the gate and the mine site being permitted
13 within 90 days of today, and the portion between the highway
14 and the gate, the lower portion, being permitted 90 days from
15 receipt of approval to proceed on the improvement by the county.

16 That's a little bit cryptic. In other words, the
17 county has to give the Co-Op an okay to start improving that
18 road. And so we would like to have a 90-day period begin on
19 the date Co-Op receives approval to proceed.

20 THE CHAIRMAN: Is this an order that's been worked
21 out between the Division and the Co-Op Mining Company?

22 MS. ROBERTS: Yes, it has.

23 THE CHAIRMAN: There are no contested items involved?

24 MR. ROTHEY: My name is Ken Rothey. I'm here repre-
25 senting the interest of Co-Op Mining Company.

1 With respect to both phases of the road, the upper
2 and the lower road, it is my understanding that any time re-
3 quired for the Division to review that permit will also extend
4 the 90 days.

5 MS. ROBERTS: That's correct.

6 THE CHAIRMAN: We will strike this hearing from the
7 calendar and will expect to see an order for our review and
8 approval which you both have agreed is satisfactory.

9 (At 10:27 a.m. the hearing adjourned.)
